

Global Bankers Institute Partners with GIEOM for Business Excellence in Banks and Financial Services Companies

FOR IMMEDIATE RELEASE
New York, NY 02/15/12

Global Bankers Institute (GBI), dedicated to delivering the BEST! Training, Communication and Consulting Services to banks and financial services companies announced their partnership with GIEOM to provide a full-service Business Excellence platform addressing Operations Performance Management and business & technology transformation solutions to banks and other financial institutions.

Dr. Linda Eagle stated, “Together, GBI and GIEOM integrate the best of both worlds. With GBI’s BEST! Training tied to Key Performance Indicators and Measures (KPI and KPM) including integrated measurement and tracking, and GIEOM’s Operations Process Visualization and Management architecture, banks have a complete solution to visualize business processes, procedures, policy documentation, external regulations, training, identification and tracking of KPIs and KPMs, managing risk and improving operations efficiency.”

John Santhosh, Founder & Solution Evangelist at GIEOM, also remarked “Partnership with a company with GBI’s experience and expertise in banking will help GIEOM to deliver a business excellence platform for banks to achieve sustainable business growth and assure compliance across all operations in the bank”

About GIEOM

GIEOM is built with a desire to simplify the view of the business operating model. GIEOM helps banks of all sizes in their journey of Business Excellence, Business Transformation and Enterprise Change Management. GIEOM provides banks with a radically different way to look at their whole organization in an integrated fashion and make measurable changes to its working model at all levels of the organizational hierarchy.

The GIEOM solution allows banks to create a complete operations’ handbook, digitally, leveraging real-time collaboration across the enterprise. The GIEOM portal offers relevant stakeholders of the bank a personalized access to ‘business paths’ - both manual and automated, performance measures, valuable operational and compliance information and training.

GIEOM’s solution is the ultimate operations dashboard – a single platform for all operations-related activities and information. It offers superior capabilities to dramatically accelerate technology adoption in banking organizations as well as refine business paths to achieve flawless operational efficiency.

GIEOM’s experience spans a wide range of banking institutions where its solution has created process accelerators, infused operational efficiency and maximized the benefits of technology implementations including some of the biggest names in banking across the globe.
